It will be for Dr. Fedler, but as soon as I get the information, like I said – I will forward it to you. Thanks for your help, have a good evening.

Good deal. If you send me your recommendation I can inform the Court so we can hopefully get it on for 12/27

Subject: LCGA Advisory Board

I have 3 whose terms end on 12/31/2021:
Margaret Ceja – she is willing to serve another term.
Jesse Garza – he is willing to serve another term.
Virginia Alamanza – unfortunately for health reasons, she is not going to be able to serve again

I do have a recommendation from one of our members to fill Virginia's spot, and am waiting to hear back from them.
