Reference: Advanced Homicide & Violent Crimes Investigations Course (Tampa, FL)

I am requesting to attend the Advanced Homicide & Violent Crimes Investigations Course. The course runs from January 12th through January 17th, 2025 including travel days and will be held at the State Attorney's Office (13th Judicial Circuit) at 419 N. Pierce Street in Tampa, FL. The cost to attend this course is \$435.00 and is only open to law enforcement personnel.

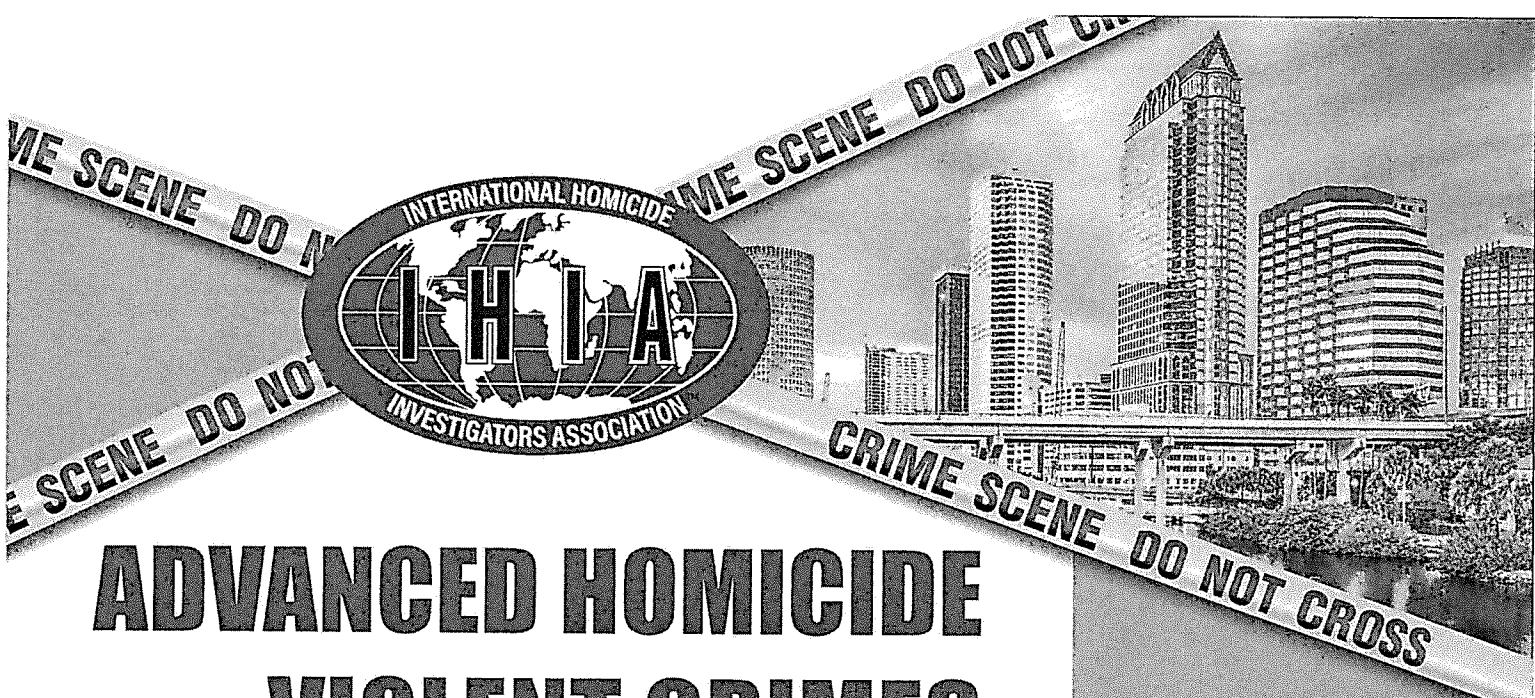

As I am preparing for an assignment to the Lubbock Metropolitan Special Crimes Unit, this course was recommended to me by the investigators that are both currently assigned, and have previously been assigned to that unit. Some of the objectives of this course are to further enhance the skills acquired working in the Criminal Investigations Division and supply students with the knowledge and abilities to handle even the most challenging homicide investigations. Students will learn how to organize a complex homicide investigation and how to apply advanced forensic techniques to the case. Discussions include criminal profiling and abnormal psychology as well as learning specific interrogation techniques to use on the suspects. There will be opportunities to apply the skills acquired while studying complex homicide cases presented by the instructors.

Some of the course objectives are listed as follows:

1. Organization of a complex homicide investigation
2. Criminal investigative analysis (criminal profiling)
3. Abnormal psychology for investigators
4. Interrogation techniques for homicide suspects
5. Application of advanced forensic techniques
6. Reconstruction of a high profile homicide case

Respectfully, Submitted

L. Tex Recter
