SCALE: 1"=100'

CONTAINS 5.51 ACRES WITHIN THE PLAT LIMITS

- (1) "Heavy lines indicate plat limits."
- (2) "All streets, alleys, and easements within plat limits are herein dedicated unless noted otherwise."
- (3) "No building permit shall be issued on any survey certificate that is not in accordance with an approved final plat unless exception is provided by the city council policy or by the city code of ordinances."
- (4) "All utility service shall be in accordance with the underground utilities policy statement by the city council of the city and the provisions of section 15.08.095 of the city code of ordinances."
- (5) "Any relocation or revision of existing facilities shall be at the subdivider's expense. Compensation shall be made prior to the recording of this final plat."
- (6) "All existing or proposed utility services to and on tracts indicated by this plat shall be contained in the public right-of-way and public or private utility easements. Utility service installation requested at a future date and not within an easement indicated by this plat, shall be within a proper utility easement granted by the owner of said property by separate recorded instrument prior to the provision of such service. Such easements shall be at the expense of the entity requesting such installation."
- (7) "All easements herein granted shall entitle the city or the utility company using such easements to the right to remove, repair or replace any lines, pipes, conduits, or poles within such easements as may be determined by the city or utility company without the city or utility company being responsible or liable for the replacement of improvements, paving, or surfacing of the easement necessitated by such repair, removal, or replacement. Easements designated or intended for vehicular passage (utility and emergency) or pedestrian access shall not be fenced or otherwise obstructed."
- (8) "Any easements or rights-of-way shown as 'to be dedicated by separate instrument' are shown on the plat for information purposes only. This plat does not dedicate said easements."
- (9) "Minimum floor elevations shall conform to the requirements of the Wolforth Design Manual and section 3.09.020 Wolforth Code of Ordinances."
