## Texas Commission on Law Enforcement

---

### HB 33: the Uvalde Strong Act

This bill brings a number of requirements for schools and law enforcement agencies in response to the May 24, 2022, tragedy at Robb Elementary School in Uvalde. At the time of the tragedy, the bill's author, Rep. Don McLaughlin, was the mayor of Uvalde. The requirements listed below are not exhaustive, but these are the items over which TCOLE has an oversight component that may affect your training requirements or standards related to your law enforcement agency. Please review HB 33 with your leadership and local counsel to ensure awareness of other components.

Under the provisions of HB 33, each law enforcement agency is required to have a designated public information officer (PIO), which may be the chief administrator, but is not required to be a peace officer. The PIO must complete training and obtain a certification from the Texas Division of Emergency Management (TDEM) within

one year of appointment to this position, and complete continuing education **annually**. Individuals designated as a PIO currently have until September 1, 2026, to complete this requirement. The law enforcement agency is to submit a record of compliance to TDEM.

The approved courses to meet this requirement are:

- Bill Blackwood LEMIT Public Information Officer course  
<https://www.lemitonline.org/programs/?mode=view&item=1>
- TEEX MGT 318 Public Information in an All-Hazards Incident  
<https://teex.org/class/mgt318/>
- Course #3763- FBI LEEDA Media and Public Relations course  
<https://fbileeda.org/page/MediaPublicRelations>
- Course #3775- FBI LEEDA Master Public Information Officer  
<https://fbileeda.org/page/MasterPIO>

Note: other courses may be added as they are identified.

How to Complete Certification to TDEM:

1. Select and complete one approved course from the list above.
2. Save your completion certificate, ensuring your name and TCOLE PID are clearly displayed.
3. Upload your certificate to Preparing Texas. Please see TCOLE's website for further instructions.

Another component of HB 33 is the requirement that a peace officer whose duties involve the supervision of officers in an incident response to complete an advanced incident response and command course **every continuing education unit**.

This requirement may be fulfilled by completing any of the following courses:

- ALERRT Active Attack Incident Management (Course #3366, 3367, or 3369);
- ALERRT Active Shooter Response Incident Management (#3607);
- ALERRT Incident Response and Command (#3608);
- ALERRT Command and Control (#33111);
- LEMIT Chief Continuing Education (#3740);
- LEMIT Command Staff Leadership Series (#3709)
- LEMIT Constable Continuing Education (#3743);
- Course #66300- FEMA ICS 300 (18-21 hours), or
- Course #66400- FEMA ICS 400 (12-16 hours)

The bill adds specific equipment and policy requirements for law enforcement agencies. The list of agency standards that TCOLE Field Service Agents will be reviewing will now include confirmation of access to at least one breaching tool and one ballistic shield. Agencies must also have a detailed active shooter policy on incidents at K-12 schools that includes a recommendation for the frequency of drills.

At the TCOLE Commission meeting in February, you can expect to see several proposed rules. These will include the addition of the equipment and policies
