Lubbock County, Texas Taxpayer Impact Statement as of July 6, 2026

As of September 1, 2025, House Bill 1522 amends Section 551.043 of the Texas Government Code to add new notice required under the Texas Open Meetings Act. Specifically, when a governmental body posts notice of a meeting under Section 551.043(a)(c) at which it will discuss or adopt its budget, the notice must now include a taxpayer impact statement. The taxpayer impact statement must show, for the median-valued homestead property within the governmental body's jurisdiction:

- The property tax bill in dollars for the current fiscal year, and
- An estimate of the property tax bill in dollars for the upcoming fiscal year.

This requirement is intended to increase transparency by allowing taxpayers to see how proposed budgets may directly affect their property tax bills. The average value of homesteaded property provided by the Lubbock County Appraisal District is not currently available.

Budget Year	Median Value of Homesteaded Property*	Taxes under the Current Year Tax Rate	Estimated Taxes under Proposed Budget	Estimated Taxes under No New Revenue Rate
2025	\$219,456	\$735		
2026	N/A		N/A	N/A

* (Note: Lubbock County uses the "average" instead of "median" for the homestead property to use the exact values found on the appraisal district reports, the structure and comparative format remain fundamentally the same).
