

TEXAS DEPARTMENT OF AGRICULTURE **COMMISSIONER SID MILLER**

FAMILY LAND HERITAGE CEREMONY

Frequently Asked Questions

The Family Land Heritage (FLH) program recognizes family farms and ranches engaged in continuous agricultural production for 100 years or more. The FLH program began in 1974 and over the past four decades, has honored more than 5,000 Texas family farms and ranches. Every fall, TDA hosts a ceremony at the Texas State Capitol to celebrate and commemorate these special families who have passed down their proud agricultural legacy from generation to generation. At the ceremony, the families are recognized by Commissioner Miller with a certificate and photo. A commemorative program is created for the ceremony that includes family stories and historic pictures along with information and location of the property being honored. Preceding the ceremony, TDA hosts a BBQ lunch on the Southwest Capitol Lawn for honorees. Honorees may also obtain a plaque recognizing their property as a Family Land Heritage recognized location.
