

Below is information on meeting times for the TIF boards:

Central Business District TIF: Meets bi-monthly or as needed (4 meetings in 2024), date varies depending on member availability but the Board typically meets at 7:30am

Lubbock Business Park TIF: Meets once per year and as needed (one meeting in 2024), date varies depending on member availability but typically meetings are held in the afternoon at 1:30pm

North Overton TIF: Meets as needed (5 meetings in 2024), date varies depending on member availability but typically meetings are held at 7:30am

Sec. 311.009 of the Tax Code lists the criteria for TIF Board Members. When individuals are recommended for City Council appointed positions, we verify that they meet the criteria before Council takes a vote on that person. However, it is up to the Commissioner's Court and their legal counsel to determine if a potential County appointment meets the criteria (or if the criteria applies to the County appointee) before they take a vote to appoint that person.

- “(e) To be eligible for appointment to the board by the governing body of the municipality or county that designated the zone, an individual must be at least 18 years of age and:
 - (2) if the board is covered by Subsection (b), own real property in the zone or be an employee or agent of a person that owns real property in the zone.”

Section 311.009 of the Tax Code lists the criteria below for positions on those Boards. Again, it is up to the Commissioner's Court and their legal counsel to determine if a potential appointment meets the criteria (or if the criteria applies to the County appointee) before they take a vote to appoint that person.

- “(e) To be eligible for appointment to the board by the governing body of the municipality or county that designated the zone, an individual must be at least 18 years of age and:
 - (A) be a resident of the county in which the zone is located or a county adjacent to that county; or
 - (B) own real property in the zone, whether or not the individual resides in the county in which the zone is located or a county adjacent to that county;”
