**Hi Lindsey,**

Hope you are having great summer!

I believe I mentioned to you in Amarillo during WTCJCA and that I also received the RFP for 2026 CJCAT. Working with the Civic Center and some of our other groups, we have finally been able to clear a date to bid on for 2026 (barring one of our groups releasing Sunday because they have other dates on hold that they can use). Dates are October 18-22, 2026.

As always, the RFP requires a letter of support from the court – can you get that on an upcoming agenda? My deadline to submit a proposal is September 5, 2024.

Thank you!
