Lindsey,

Can you please put the request for a change fund on the agenda with the following description?

“County Parks Revenue Account- Discuss, consider, or take action to approve a startup fund balance of \$500.00 to offset the convenience fees”

The closing of Parks Pct. 2 bank account will also need to be on the agenda, would you be able to add that?

Thank you,

Rhonda,

I spoke with Lindsey and we are in agreement that the Parks Pct. 2 account ending in 9860 can be closed.

We are utilizing Parks Pct. 1 bank account (9801) for all four precincts.

Can you please rename Parks Pct. 1 bank account (9801) to County Parks Revenue?

The signers will be; Lindsey Diaz, Margarita Young, and Chris Winn.
