Do you want the exclusion of the step program?

Description

Discuss, consider and/or take action regarding: suspending all salary increase requests until August 22, 2022 to allow for salary calculations for the FY23 budget, excluding the LSO STEP program.

Thank You.

Subject: Agenda August 14th

Rhonda,

Will you please put the investment report on the agenda for August 14th as well as an item to freeze salaries until January 1, 2024 per the Commissioners Court. We did a salary freeze last year during budget but I don't remember which office put it on. We could just use the same wording I would think if we could find that item.
