We are in receipt of a copy of the proposed contract between Hart InterCivic ("Hart") and Lubbock County, which you have submitted to the Secretary of State pursuant to Section 123.035 of the Texas Election Code.

The contract indicates the county plans to receive an upgrade from their current Verity Central version to the Verity Central 2.7.7, which includes a de minimis change previously authorized by our office. This letter will serve as confirmation from our office that these systems are currently certified for use in Texas. Enclosed is a copy of the certification order that pertains to these systems.

Pursuant to state law, this written approval of your voting system contract is required prior to your final execution of the contract, or it will be considered void.
