Dear Mr. Moore,

On behalf of Centerline and Dr. Jewell Davis, this letter serves as a formal request for Lubbock County's acceptance of the completed roadway within Davis Park Tract E for ongoing county maintenance.

County Road 7660 has been constructed in accordance with the approved civil plans and Lubbock County subdivision and roadway standards. We confirm that the roadway construction, drainage improvements, and associated public infrastructure have been completed per the approved plans. We have corrected all deficiencies and addressed all punch-list items identified by Lubbock County.

Thank you for your time and attention to this request. We appreciate the County's cooperation throughout this project.

Sincerely,
