FROM: John R. Polster 
DATE: June 29, 2023
RE: Discussion of BSRP Line Item Transfer to Accommodate Woodrow Road Phase 1 Project Letting

Woodrow Road Phase 1 (from CR 2100 to FM 493) has let for construction. The low bidder was Webber LLC, with a low bid of \$37,998,646.40 at 5.08% above engineer's estimate of \$36,160,000.00 provided for the March 21, 2023, Bond Workshop. To manage the letting for construction for the Woodrow Road project, ITS recommends a line item transfer as listed below.

Transfer from:

\$2,150,000.00 to come from Contingency, Auditor #B51003

To be transferred to:

\$2,150,000.00 to be transferred to Woodrow Road Phase 1, Auditor #B11003

Please include the following language in agenda packet:

“Discussion/consideration of approval of funding transfer to accommodate Woodrow Road Phase 1 project letting within the BSRP bond program.”

It is ITS's recommendation that the Lubbock County Commissioners Court consider approval of the recommended modifications to the BSRP funding allocations. Please take the necessary steps to place this on the court's agenda for consideration. If you have any questions, please call me at (972) 484-2525.
