Why our work is needed in our community

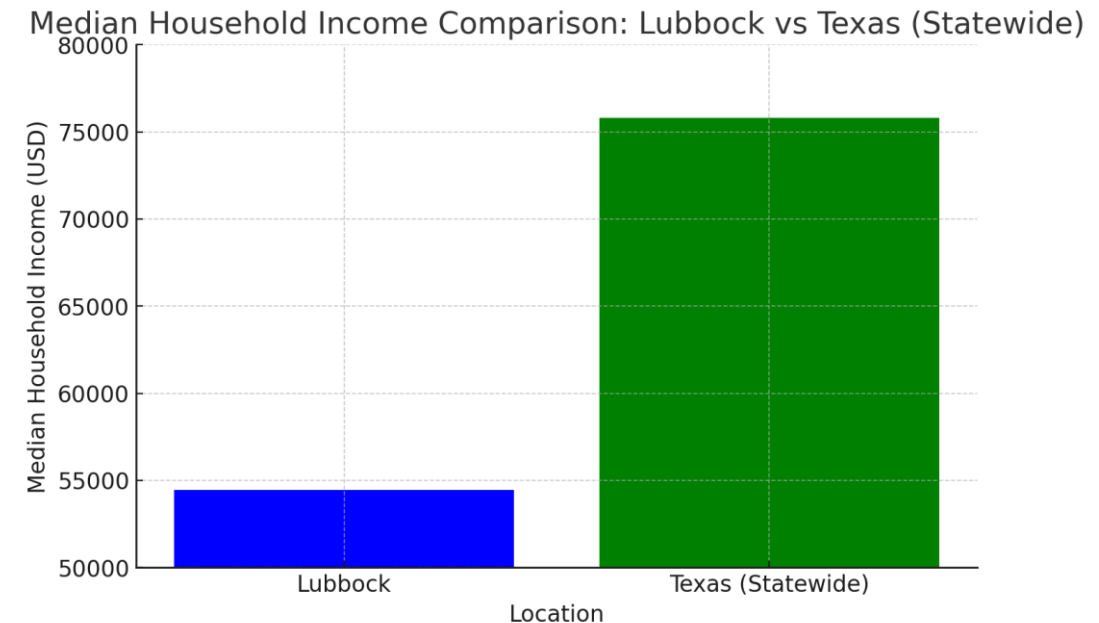

- **Disparity in income:**

(Compared to \$75,780 statewide) ([Census Reporter](#))
- 18.7% poverty rate in Lubbock
(Compared to 13.7% statewide) ([Census Reporter](#))

- **Disparity in Lubbock Independent School District:**

- 72.2% of students are economically disadvantaged
- 73.7% of students are Latino or Black ([Data USA](#))

- **2nd highest rate of child abuse in Texas** ([Texas Standard](#))

The biggest barriers to engagement with the arts are time and cost, location, perception, and not having someone to go with to an art event.
