together and growing as a community.

This is your opportunity to engage with the community, learn from others, and gain insights as to how you can maximize your Elements XS investment. Getting some face-time with key Novotx staff is an added bonus.

Additionally, this is our opportunity to personally interact with customers and hear first-hand about experiences, ideas, and feedback.

Who Should Attend

Elements XS customers and prospective customers from the following sectors:

- Public and private utilities
 - Water, storm, sewer, gas & electric
- Local government groups
 - Streets, traffic, & public works
 - Parks & rec departments
 - Fleet & facilities

How to Register

Please register as soon as possible! While we'd love to accommodate everyone, the venue does have limited space so be sure to register as soon as you can.

Along those lines, the event is in-person only. We may record some of the content for distribution at a later date, but the event will not be streamed or video
broadcasted.
