

Plat Notes:
 Scale: 1" = 100'
 Heavy lines indicate plat limits.
 All streets, alleys, and easements within plat limits are herein dedicated unless otherwise noted.
 No building permit shall be issued on any survey certificate that is not in accordance with an approved final plat unless exception is provided by the Planning and Zoning Commission policy or by the Lubbock Code of Ordinances.
 All utility service shall be in accordance with the Underground Utilities Policy Statement by the Planning and Zoning Commission of the City of Lubbock, Texas and the provisions of section 36.05.095 of the Lubbock Code of Ordinances.
 Any relocation or revision of existing facilities shall be at the subdivider's expense. Compensation shall be made prior to the recording of this final plat.
 All existing or proposed utility services to and on tracts indicated by this plat shall be contained in the public right-of-way and public or private utility easements. Utility service installation requested at a future date and not within an easement indicated by this plat, shall be within a proper utility easement granted by the owner of said property by separate recorded instrument prior to the provision of such service. Such easements shall be at the expense of the entity requesting such installation.
 All easements herein granted shall entitle the city or the utility company using such easements to the right to remove, repair or replace any lines, pipes, conduits, or poles within such easements as may be determined by the city or utility company without the city or utility company being responsible or liable for the replacement of improvements, paving, or surfacing of the easement necessitated by such repair, removal, or replacement. Easements designated or intended for vehicular passage (utility and emergency) or pedestrian access shall not be fenced or otherwise obstructed.
 Any easements or rights-of-way shown as to be dedicated by separate instrument are shown on the plat for information purposes only. This plat does not dedicate said easements.
 Minimum floor elevations shall conform to the requirements of the Lubbock Drainage Criteria Manual, as adopted by Ord. 10022, as amended, and Section 28.09.131, Section 28.14.004, and Section 30.03.073 of the Lubbock Code of Ordinances.
 Either all or a portion of this surveyed property lies within a "Special Flood Hazard Boundary." These boundaries are established by the Federal Emergency Management Agency, not this surveyor. Flood hazard maps are on file at City Hall, Lubbock, Texas and are open for public inspection.
 The survey information shown hereon was prepared from the result of an on the ground survey of the property shown hereon, and has been completed substantially in compliance with the Professional and Technical Standards promulgated by the Texas Board of Professional Land Surveying Practices Act, Section 663.13.
 Blanket underground utility, transformer pad, and switching enclosure easement as required for service within the plat limits is herein granted to South Plains Electric Company. No other property, beyond the plat limits, will be entitled to use any portion of the property described herein for connection to or transmission of any utility service under the terms of this blanket easement.
