

TDEM
THE TEXAS A&M UNIVERSITY SYSTEM

Dear Local Emergency Planning Committee Chairperson:

The Texas Division of Emergency Management (TDEM), representing the State Emergency Response Commission (SERC), is offering Hazardous Materials Emergency Preparedness Planning funds for Commodity Flow Studies (CFS) in Texas. Enclosed is the grant application package.

Please complete the attached CFS Application thoroughly.

TDEM will select applicants up to our budgeted amount and contract with a third party ("the Provider") to provide a Commodity Flow Study. As the contractor will be solicited directly through TDEM, there will be no matching contribution expected from the applicant.

The applicant will be a Local Emergency Planning Committee (LEPC) in good standing within the State. If selected, the LEPC will coordinate with the Provider on completing a local CFS.

The earliest an application will be accepted is January 1st. The deadline for the CFS application submission is February 28th. If you have any questions regarding this request for proposals, or if you need assistance, please contact the HMEP Supervisor, Michael Green, at 512-424-0052 or michael.green@tdem.texas.gov. Complete applications may be submitted to TechHaz@tdem.texas.gov.

W. Nim Kidd, MPA, CEM

Chief – Texas Division of Emergency Management
Vice Chancellor for Disaster and Emergency Services
