Dear Judge Parrish:

In compliance with the provisions of Section 6.03 of the Texas Property Tax Code I have received director nominations from voting units located within the Lubbock Central Appraisal District. Enclosed you will find a resolution containing the ballot with the names of those nominated for directors listed in alphabetical order.

Passed during the 2021 legislative session, HB 988 added subsection (k-1) to PTC Section 6.03. This subsection requires the governing body of a taxing unit entitled to cast at least 5% of the total number of votes to determine its vote for its appraisal district's board of directors by resolution adopted at the first or second open meeting held after the date the chief appraiser delivers the ballot. The governing body must then submit its vote to the chief appraiser not later than the 3rd day following the date the resolution is adopted. Because Lubbock County has more than 5% of the vote, your board will need to follow these procedures of when to vote and the deadline for delivering the adopted resolution.

It is important that the aforesaid method of voting, reporting of votes, and submission of the votes to the chief appraiser before the deadline be followed. A unit may cast all its votes for one candidate or may distribute the votes among any number of candidates named on the ballot.

A voting unit may only cast its votes for a person timely nominated and named on the enclosed ballot. There is no provision for write-in candidates. Since we only have two nominees this time, those listed on the enclosed ballot will be your directors. Even so, the participation of all eligible units in the voting process would be appreciated.

Before December 31, I will count the votes and officially declare elected the two candidates who received the largest vote totals. I am required to notify all taxing units and all the candidates of the election results before December 31, 2025.

Additionally, I have enclosed another copy of the worksheet showing the calculation of the number of votes to which each taxing unit is entitled. Other details are contained in my letter to you of August 22, 2025.

Thank you for your participation in the board of directors' selection process. If you would like to discuss any aspect of the process, please contact me at your convenience.

Respectfully submitted,

Tim Radloff
