Subject: Lubbock Law Enforcement Citizens Academy meals

Once a year the Lubbock County Sheriff's Office, Lubbock Police Department, Department of Public Safety, and the District Attorney's Office holds a Lubbock Law Enforcement Citizens Academy for the citizens of Lubbock.

During the opening night of the Academy, whoever the host agency is for that evening provides a meal for the students and staff as a welcome. At the end of the 14 weeks of the academy there is also a meal that is served for graduation ceremonies.

This year Lubbock County Sheriff's Office is the host. With that said, we will need to provide the meals this Academy.

We are estimating a cost of \$1,400 for the meals.

Lubbock Law Enforcement Citizens Academy

Working Together

Now Accepting Applications

The Texas Department of Public Safety (DPS), in conjunction with the Lubbock County Sheriff's Office (LSO), Lubbock Police Department (LPD), and the Lubbock County District Attorney's Office (LCDA), is now accepting applications for the next Citizens Academy, which begins February 27, 2024. The 14-week academy will introduce students to law enforcement, prosecutors, and many programs and services. Students will receive interactive education during weekly meetings on Tuesdays from 6 p.m. to 9:00 p.m.

Participants in the academy will learn about the different services each agency offers. Some of the topics to be covered include patrol procedures, SWAT, the crime lab, aircraft operation, border operations, K-9 units, tactical driving, crash investigations, criminal investigations, civilian response to active shooters, criminal prosecution, firearms training, plea offers and alternate ways of resolving cases, and courtroom procedure.

The Citizens Academy is designed to educate students about the daily safety challenges Texans face and how law enforcement and prosecutors function to protect and serve the state. The academy will be held at DPS, LSO, LPD, and the Lubbock County Courthouse offices. The public and the media are invited to apply for the academy.
